

# The World Is Not Enough

## Garbage

I know how to hurt  
I know how to heal  
I know what to show  
And what to conceal I know when to talk  
And I know when to touch  
No one ever died  
From wanting too much The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love People like us  
Know how to survive  
There's no point in living  
If you can't feel alive  
We know when to kiss  
And we know when to kill  
If we can't have it all  
Then nobody will The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love I feel safe  
I feel scared  
I feel ready  
And yet unprepared The world is not enough  
But it is such a perfect place to start, my love  
And if you're strong enough  
Together we can take the world apart, my love  
The world is not enough  
The world is not enough  
Nowhere near enough  
The world is not enough
