

Miley Cyrus Is a Lesbian

J Bigga

[Intro]

Yo, this story is true
Uhuh, that's how we do

[Verse 1]

It was late one night
On the Hollywood set
Me and J Bigga
We're making a bet
To see who could nail
That find piece of tail
That goes by the name of Miley Cyrus
So we snuck, we snuck to the trailer on the set
To give that little slut something she'd never forget
And when we peeked into the window
That's slutty little hoe was getting head from Avril Lavigne

[Chorus]

Miley Cyrus is a lesbian
I did her up the butt then she gave me head
Miley Cyrus is a lesbian
I did her up the butt then she gave me head

[Verse 2]

We took a lotta pictures on a Polaroid
And we busted in her door, it was blackmail time
That skanky little bimbo and her rock 'n' roll friend
Had to do every thing that we said

[Chorus]

Miley Cyrus is a lesbian
I did her up the butt then she gave me head
Miley Cyrus is a lesbian
I did her up the butt then she gave me head

[Bridge]

Me and J Bigga got pictures of the scene
Miley dyking out with Avril Lavigne
Me and J Bigga got pictures of the scene
Miley dyking out with Avril Lavigne, yeah

Me and J Bigga got pictures of the shit
Avril lead the line on Miley's flip
Me and J Bigga got pictures of the shit
Avril lead the lane on Miley's clit

[Chorus]

Miley Cyrus is a lesbian
I butt-fucked that bitch and she sucked my dick
Miley Cyrus is a lesbian
I butt-fucked that bitch and she sucked my dick

[Outro]

I butt-fucked Miley Cyrus all night
I make that bitch scream, damn, that pussy is tight
I butt-fucked Miley Cyrus all night
I make that bitch scream, damn, that pussy is tight
I butt-fucked Miley Cyrus all night
I make that bitch scream, damn, that pussy is tight
I butt-fucked Miley Cyrus all night
I make that bitch scream, damn, that pussy is tight
