

Scumbag (Acoustic)

Goody Grace

I saw it coming
Like a knife into my stomach
And there ain't no use in running While?she's?twisting it
Ran out?of patience
Told me I'm both kinds?of wasted
Like this, self-deprication that I'm swimming in
This candle's burning at both ends
I think I'm learning there's a point of no returning
This is itShe says I'm a scumbag
Wants to take her love back
Story of my life
Why am I such an asshole?
Everything is my fault
Happens every time
Why?
Can't even argue
I'm too fucked up, it's too hard to
Smashed my heart in like a cartoon
There's no fixing it (yeah)
But what's the difference between broken love and prison?
She said "Why you never listen?"
'least I think she did (yeah)I don't know, I don't know how it got so bad
But it got so bad
I don't know why I make you sadShe says I'm a scumbag
Wants to take her love back
Story of my life
Why am I such an asshole?
Everything is my fault
Happens every time
Why? (ooh, why?)
I know, I know that she hates me
I know, I know that she can't take me
I hope she knows I can't face myself right now
I don't know, I don't know how it got so bad
But it got so bad
I don't know why I make you sadShe says I'm a scumbag
Wants to take her love back
Story of my life
Why am I such an asshole?
Everything is my fault
Happens every time
Why?I know, I know that she hates me

I know, I know that she can't take me
I know she knows that it breaks me down down down
I know, I know that she hates me
I know, I know that she can't take me
I hope she knows I can't face myself right now
