

# Sample In a Jar

## Phish

It's hidden far away but someday I may tell  
The tale of metal tangle when into your world I fell  
Without you now I wander soaking secretly afraid  
But in your grasp the fears don't last though some of them have stayed I wheeled around  
because I, I didn't hear what you had said  
And saw you dancing with Elihu up on Leemor's bed  
And I was foggy rather groggy, you helped me to my car  
The binding belt enclosing me, a sample in a jar And on the market stands unfolding with all  
their willies and their wares  
I shuffle by alert but numb to all the glances and the glares  
I think of you unheeding all the times I raise my cup  
It's now I know that you knew that I'd soon end up, end up  
I wheeled around because I, I didn't hear what you had said  
And saw you dancing with Elihu up on Leemor's bed  
And I was foggy rather groggy, you helped me to my car  
The binding belt enclosing me, a sample in a jar You tricked me like the others and now I don't  
belong  
The simple smiles and good times seem all wrong  
I wheeled around because I, I didn't hear what you had said  
And saw you dancing with Elihu up on Leemor's bed  
And I was foggy rather groggy, you helped me to my car  
The binding belt enclosing me, a sample in a jar Sample in a jar  
A sample in a jar  
Now, sample in a jar
