Hey, hey, ain't it some surprise?
How the years will slip on past you
How the time just flies
Then behold, you're older, bolder and
Much wiser than before
Ain't that some surprise They're at the door! Surprise! If you're not drinking
Then something's new It's nothing really
I can't tell you You're on the wagon
Or else
Oh jeez
Keep your voice down
Lucas, please You haven't told Josh? Don't know what to say You better think quick then,
He's minutes away There's too many people
And that's just as well Um, Josh is a doctor
They can often tell Oh, hell
Hey, um, thanks for the surprise!
Let's go party on the rooftop
Underneath the skies Move in with me. Officially. It just seems so traditional
Hey, hey, ain't it some surprise?
Babe, you're in a real-life couple
Try that on for size
You can fear it, dear, it's clear it's not
About to go away
Ain't that some surprise? Ain't this some surprise,
it feels okay Well, hey No more surprises
No men to kiss
I might want children
But not like this
He thinks he loves me
And I know it's not true
No more surprises
God, what to do? What do you want right now? I want that job.
I want to give it everything I have No more surprises
Your life's on track I'm moving forward
I won't go back So let your heart win
And let the doubt be gone No more surprises I'm moving on Liz! So sorry I'm late
I missed the surprise, didn't I? Not entirely
I'm pregnant Wow, wow, that is some surprise Yeah, your teeny-tiny swimmers
They're determined little guys It could be that we should see this through
It might mean that - it might It's just such a surprise It still feels right I think she told him I think
she did. Marry me What? Hey hey ain't it some surprise

After all this time together
I look into your eyes And I see what we can be if we
Step up and say "I do."
Ain't it some surprise? I do love you And I love you Hey - hey - ain't it some surprise
Hey - hey - ain't it some surprise
Hey - hey - ain't it some
Hey - hey - ain't it some
Hey - hey - ain't it some At thirty-nine, ev'rything changes
(surprise! Surprise!)
I'm older but hardly more wise
(Hey, hey ain't it some surprise)
And just when you think you're on course
(Hey, hey ain't it some surprise)
The sea starts to rise
(Hey, hey ain't it some)
And from clear blue skies
(Hey, hey ain't it some) Marry me Marry me Surprise! Surprise!
