Stand for life
Stand for true
Stand for somethin'
Don't fall for nothin'

Stand for love
Stand for power
Stand for somethin'
Don't fall for nothin'

Stand for me
Stand for you
Stand for somethin'
Don't fall for nothin'

Don't fall for nothin'
Don't fall for nothin'

Stand for life
Stand for true
Stand for somethin'
Don't fall for nothin'
