

30 Lives

Imagine Dragons

Good morning my love
It's been a while since we have talked
And you have grown
Your eyes are older than the tallest tree you see
Thirty lives can be extraordinarily longLay me down
Lay me down
Again my friend
I know it's been a while since I could look you in the eyes
'Cause I am foolish and I'm sorry
But sorry never made it feel alright
Alright
Good morning myself
It's been a while since we have talked
And you have changed
For better or worse is yet to determine
But I am sure
You'll keep living and breathing until this world turns overLay me down
Lay me down
Again
My friend I know it's been a while since I could look you in the eyes
'Cause I am foolish and I'm sorry
And sorry never made it feel alright
Alright
Again my friends
I know it's been a while since I could look you in the eyes
'Cause I am foolish and I'm sorry
But sorry never made it feel alright
Alright
