

# Spit On a Stranger

## Nickel Creek

however you feel  
whatever it takes  
whenever it's real  
whatever awaits me  
whatever you need  
however so slight  
whenever it's real  
whenever it's right I've been thinking long and hard about the things you said to me  
like a bitter stranger  
now I see the long and short, the middle and what's in between  
I could spit on a stranger (pull me out)  
you're a bitter stranger (pull me out)  
whatever you feel  
whatever it takes  
whenever it's real  
whatever awaits me  
whatever you need  
however so slight  
Honey I'm a prize and you're a catch and we're a perfect match  
like two bitter strangers  
now I see the long and short of it and I can make it last  
I could spit on a stranger (pull me out)  
you're a bitter stranger (pull me out)  
I could spit on a stranger (pull me out)  
you're a bitter stranger (pull me out)  
I could spit on a stranger (pull me out)  
you're a bitter stranger I see the sunshine in your eyes  
I'll try the things you never tried  
I'll be the one that leaves you high, high, high
