

# Glow in the Dark

Jason Gray

[Verse 1]

Sometimes the world feels like a mess  
Full of drama, full of stress  
And life puts a fist right in your ribs  
You can hide if you choose to  
And no one would even blame you  
Or you can let them see how you deal with it

[Pre-Chorus]

That even in the darkest place  
His love can make you radiate

[Chorus]

Doesn't matter how deep, how dark the night is  
Keep hoping, keep on shining  
And they'll see His light burning in your heart  
And if the road gets rough, just keep your head up  
Let the world see what you're made of  
That His love's alive in your deepest parts  
Like a flame, like a burning star you can shine right where you are  
He made you to glow in the dark

[Verse 2]

Don't be ashamed of your past  
If you're shattered like a piece of glass  
The more broke you are the more the light gets through  
Show your wounds and your flaws  
Show them why you still need the cross  
Let them see the work He's doing in you

[Pre-Chorus]

That even in the darkest place  
His love can make you radiate

[Chorus]

Doesn't matter how deep, how dark the night is  
Keep hoping, keep on shining  
And they'll see His light burning in your heart  
And if the road gets rough, just keep your head up  
Let the world see what you're made of

That His love's alive in your deepest parts  
Like a flame, like a burning star you can shine right where you are  
He made you to glow in the dark

[Chorus]

Doesn't matter how deep, how dark the night is  
Keep hoping, keep on shining  
And they'll see His light burning in your heart  
And if the road gets rough, just keep your head up  
Let the world see what you're made of  
That His love's alive in your deepest parts  
Like a flame, like a burning star you can shine right where you are  
He made you to glow in the dark

[Outro]

Glow in the dark  
Doesn't matter how  
Glow in the dark  
Doesn't matter how
