Save It for a Rainy Day

Kenny Chesney & Old Dominion

It's no secret that lately there ain't no escape
And that I've been waking up alone
Just me and the TV and a sinking feeling
That you ain't ever coming homeBut today,
The tears ain't gonna hit the floor
Cause the boat's in the bay
And it's calling my name
So I'm heading on out the doorCause the sun's too bright,
The sky's too blue
Beer's too cold to be thinking about you
Gonna take this heartbreak and tuck it away
Save it for a rainy day
When I turned the ignition
I knew I'd be missing
The feel of the wind on my face
I was stuck in a habitWondering what happened
Two days of taking all the blame
Got a drink, or two,
That's as fool proof as what it will be
It's a beautiful world with a beautiful girl
Kind of making eyes at meCause the sun's too bright,
The sky's too blue
Beer's too cold to be thinking about you
Gonna take this heartbreak and tuck it away
Save it for a rainy day
Yeah, the music's too good,
My friends are all out
And they're all too high to be bringing them down
If they ask about you
I've got nothing to say
I'll save it for a rainy dayThey'll be plenty of time for ones and why's
And how'd I let you get away
But the lying in bed all stuck in my head
Is just gonna have to waitCause the sun's too bright,
The sky's too blue
Beer's too cold to be thinking about you
Gonna take this heartbreak and tuck it away
Save it for a rainy dayYeah, the music's too good,
My friends are all out
And they're all too high to be bringing them down
If they ask about you
I've got nothing to say

I'll save it for a rainy dayGonna take this heartbreak and tuck it away
Save it for a rainy day
Save it for a rainy day
