

All 4 U

Jax Jones

[Verse 1]

What if I told you I'm running?
Maybe you're all that I need
You never see love is coming
It ain't quite what it seems

[Pre-Chorus]

'Cause it's you, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You

[Chorus]

Can't get you off my mind
(Burning down me)
Can't get you off my mind
(Burning down, baby)

[Verse 2]

What if I told you I'm sorry?
I think about you all the time
Spend your life searching for something
Can't get you off my mind

[Pre-Chorus]

'Cause it's you, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You, all for you
You

[Chorus]

Can't get you off my mind

(Burning down me)
Can't get you off my mind
(Burning down, baby)
Can't get you off my mind

[Bridge]
Always for you, baby
('Cause you're all that I need)
Baby
('Cause you're all that I need)
Baby, baby
('Cause you're all that I need)
Baby, baby
Always on my mind

[Chorus]
Can't get you off my mind
(Burning down me)
Can't get you off my mind
(Burning down, baby)
Can't get you off my mind
(Burning down me)
Can't get you off my mind
(Burning down, baby)

[Outro]
Baby, baby
Baby, baby
Baby, baby
Baby, baby
