

Yeah Yeah Yeah

Dustin Lynch

Hey baby, it's good to see you again
This party's rockin' let's get you jumpstarted
And get you a drink

I love that Haggard T-Shirt you got on
The way you're singin' along, shaking that thing
Right about now all I wanna say is

Yeah Yeah Yeah

Look at you lookin' all drop dead beautiful
Whoah oh oh

Girl you got it, got it going on tonight
Uh Uh Uh

Take a little sip then lean on in
For a little bit nice and slow

Girl here we go

Yeah Yeah Yeah

Yeah Yeah Yeah

hey baby, it's getting kinda crowded inside
let's slip out back, what'cha think about that
maybe take a little ride

I got a radio, and a half a tank of gas
we can ride around this one-light town
see how long we can make it last

Yeah Yeah Yeah

Look at you lookin' all drop dead beautiful
Whoah oh oh

Girl you got it, got it going on tonight
Uh Uh Uh

Take a little sip then lean on in
For a little bit nice and slow

Girl here we go

Yeah Yeah Yeah

Yeah Yeah Yeah

come on girl, scoot it on over
don't be scared to get a little closer
roll on out, past the city limit
me and you fade into the distance

Yeah Yeah Yeah

Look at you lookin' all drop dead beautiful
Whoah oh oh

Girl you got it, got it going on tonight
Uh Uh Uh

Take a little sip then lean on in

For a little bit nice and slow

Girl here we go

Yeah Yeah Yeah

Yeah Yeah Yeah

Yeah Yeah Yeah

Yeah Yeah Yeah
