

# Sussudio (2016 Remastered)

**Phil Collins**

There's this girl that's been on my mind  
All the time, Sussudio  
Oh oh  
Now she don't even know my name  
But I think she likes me just the sameSusudio  
Oh ohOh if she called me I'd be there  
I'd come running anywhereShe's all I need, all my lifeI feel so good if I just say the word  
Susudio, just say the word  
Oh Susudio  
Now I know that I'm too young  
My love has just begunSusudio  
Oh oh  
Ooh give me a chance, give me a signI'll show her anytime  
Sussudio  
Oh ohAh, I've just got to have her, have her now  
I've got to get closer but I don't know how  
She makes me nervous and makes me scared  
But I feel so good if I just say the word  
Susudio  
Just say the word, Oh  
Susudio  
Ah, she's all I need all of my life  
I feel so good if I just say the word  
Susudio  
I just say the word, Oh  
Sussudio  
I just say the word, Oh  
Susudio  
I'll say the word, Oh  
Sussudio Oh oh oh  
Just say the word  
Just say the word  
Just say the word  
Susudio  
Just say the word  
Susudio  
Say the word, Oh  
Just say the word
