

# All Falls Down (Mark Villa Remix)

Alan Walker, Noah Cyrus & Digital Farm Animals

What's the trick? I wish I knew  
I'm so done with thinking through all the things I could've been  
And I know you wonder too  
All it takes is that one look you do, and I run right back to you  
You crossed the line, and it's time to say F you  
What's the point in saying that when you know  
how I'll react?  
You think you can just take it back  
But shit just don't work like that  
You're the drug that I'm addicted to, and I want you so bad  
Guess I'm stuck with you, and that's that 'Cause when it all falls down, then whatever  
When it don't work out for the better  
If we just ain't right, and it's time to say goodbye  
When it all falls down, when it all falls down  
I'll be fine  
I'll be fine  
You're the drug that I'm addicted to, and I want you so bad  
But I'll be fine  
Why we fight? I don't know  
We say what hurts the most  
Oh, I try staying cold, but you take it personal  
All these firing shots and making ground  
It's way too hard to cope, but I still can't let you go 'Cause when it all falls down, then whatever  
When it don't work out for the better  
If we just ain't right, and it's time to say goodbye  
When it all falls down, when it all falls down I'll be fine  
I'll be fine  
You're the drug that I'm addicted to, and I want you so bad  
But I'll be fine  
I'll be fine-ine, fine, I'll, fi-fine-ine-ine  
I'll be fine-ine, fine, I'll, fi-fine-ine-ine  
I'll be fine-ine, fine, I'll, fi-fine-ine-ine  
I'll be fine-ine, fine, I'll, fi-fine 'Cause when it all falls down, then whatever (then whatever,  
babe)  
When it don't work out for the better (for the better)  
If we just ain't right, and it's time to say goodbye  
When it all falls down, when it all falls down I'll be fine (fine, fine, fine)  
I'll be fine (I'll be fine)  
You're the drug that I'm addicted to, and I want you so bad  
But I'll be fine (I'll be fine), and that's that.
