

# Dancing Shoes

## Rhythms del Mundo

Get on your dancing shoes  
There's one thing on your mind  
Oh, been there looking for you  
Sure you'll be rummaging through  
Oh and the shit, shock, horror  
You've seen your future bride  
Yea, but it's oh so absurd  
For you to say the first word  
So you're waitin'n'waitin'n...

The only reason that you came  
So what ya scared for?  
Well don't you always do the same  
It's what ya there for, don't ya know..

The lights are flashing  
Down in here tonight  
And so'm I exchange a glance  
But keep pretending to dance

Don't act like it's not happening  
As if its impolite  
To go and mention your name  
Instead you'll just do the same  
As they all do, and hope for the best...

The only reason that you came  
So what ya scared for?  
Well don't ya always do the same  
It's what ya there for, but no!!

Get on your dancing shoes  
You sexy little swine  
Oh, been there looking for you  
Sure you'll be rummagin' through

And a said the shit, shock, horror  
You've seen your future bride  
Oh, but it's oh so absurd  
For you to say the first word

So you're waitin'n'waitin...!
