

Can't Take My Eyes Off You

Cary Brothers

[Verse 1]

I've come to tell you all the truth
Though you always had the proof of it

[Pre-Chorus 1]

My arms will grow
Chest expanding

[Pre-Chorus 2]

Of all the boys you could have landed
Why'd it have to be me?

[Chorus]

You...can't take my eyes off of you
You...can't take my eyes off of you

[Verse 2]

Wisdom tells me to turn away
Broken once, it's all the same

[Pre-Chorus 1]

[Pre-Chorus 2]

[Chorus]
