

Money Bag

Cardi B

[Intro]

Money bag

Give me the money bag

Money bag

I'm lookin' like a money bag

Money bag

Money bag[Verse 1]

I do the Maybach on Monday, Ferrari Friday

This is sweet pussy Saturday, that's just what God say

I say "bae, it's a snack", he say it's the entrée

With them pretty ass twins you look like Beyoncé

[Hook]

Lookin' like

Money bag, money bag, money bag (uh)

Money bag, money bag, money bag (woo!)

Money bag, money bag, money bag (get it)

Money bag, money bag, money bag

[?] from the front, I got it behind me

And I park my Bentley truck on my Versace driveway[Verse 2]

Everythin' your nigga want, I'm like a walkin' wishlist

I don't understand what this hate is about

How you gon' suck yo man dick with my name in yo mouth?

[Hook]

Lookin' like

Money bag, money bag, money bag (uh)

Money bag, money bag, money bag (woo!)

Money bag, money bag, money bag (get it)

Money bag, money bag, money bag

[?] from the front, I got it behind me

And I park my Bentley truck on my Versace driveway

These bitches salty, they sodium

They jelly, petroleum

Always talkin' in the background

But never come to the podium

Chef Cardi B, I'm cookin' up

I see your bitch at the stove again

While ya hoes were sleepin' on me

I made 40 bags by 4 pm
