

I Love You

Avril Lavigne

Lala, lalalala, lala, lalala
I like your smile
I like your vibe
I like your style
But that's not why I love you and I
I like the way, you're such a star
But that's not why I love you, hey
Do you feel?
Do you feel me? Do you feel what I feel too?
Do you need?
Do you need me?
Do you need me-e-e?
You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you is you
Being you, just you
Yeah, the reason I love you is all that we've been through
And that's why I love you Lala, lalalala, lala, lalala I like the way you misbehave
When we get wasted
But that's not why I love you And how you keep your cool when I am complicated
But that's not why I love you, hey Do you feel?
Do you feel me? Do you feel what I feel too? Do you need?
Do you need me?
Do you need me-e-e?
You're so beautiful
But that's not why I love you
And I'm not sure you know
That the reason I love you is you
Being you, just you
Yeah, the reason I love you is all that we've been through
And that's why I love you
Yeaah
Ohhhh, ohhhh Even though we didn't make it through
I am always here for you, yea-a-ah
You're so beautiful
But that's not why I love you I'm not sure you know
That the reason I love you is you
Being you, just you Yeah, the reason I love you is all that we've been through
And that's why I love you
La la, la la la la (Oh ohhh)
la la, la la la la (That's why I love you)

la la, la la la la (Oh ohhh)

la la, la la la la (That's why I love you)
