

# For Now

P!nk

[Verse 1]

Remember that time we were just kickin'?  
But nothing had changed, nothing was really different  
Then love showed its teeth like it's something vicious  
No, no, no, let me finish  
Ain't it something when it all goes tragic  
How a spell can get casted onto something magic  
What I wouldn't give to get back to where we had it  
Oh, it should've lasted

[Pre-Chorus 1]

Now it's like I lied  
When I said I didn't need you  
Alright, if you'd left, I'd never be  
Tonight can we just get it right  
Somehow, for now

[Chorus]

Freeze frame, pause, rewind, stop  
And get back to the older familiar thoughts  
Can we just freeze frame, pause, rewind, stop  
And get back to the feelings we think we lost?  
For now

[Verse 2]

Oh, I'm so goddamn mean  
'Cause I, I, I say and I do things  
That I shouldn't sometimes  
My mouth gets me in trouble all the time

[Pre-Chorus 2]

But now it's like I lied  
When I said I didn't need you  
I'd die, if you'd left, I'd never be  
Alright, can we just get it right somehow  
For now

[Chorus]

Freeze frame, pause, rewind, stop  
And get back to the older familiar thoughts

Can we just freeze frame, pause, rewind, stop  
And get back to the feelings we think we lost?  
For now  
For now

Can we just freeze frame, pause, rewind, stop  
And get back to the feelings we think we lost?  
For now

[Bridge]

Remember that time we were just kickin'?  
But nothing had changed, nothing was really different  
Then love showed its teeth like it's something vicious  
No, no, no, let me finish  
For now

[Chorus]

Freeze frame, pause, rewind, stop  
And get back to the older familiar thoughts  
Can we just freeze frame, pause, rewind, stop  
And get back to the feelings we think we lost? (we lost)  
For now  
For now  
Can we just freeze frame, pause, rewind, stop  
And get back to the feelings we think we lost?  
For now  
For now  
Can we just rewind, stop  
Get back to the feelings we think we lost?  
For now
