

# Cry for Help

## Shinedown

[Verse 1]

You've been hiding out for quite a while now  
Living off of people you know  
Trying to raise a little money to pay off all the monkeys  
That you met inside the rabbit hole  
You're taking candy from the white witch  
You're smoking tea with Mama Kin  
Well, there's a wolf outside a brick house screaming  
"This time I'm gonna blow it in!"

[Pre-Chorus]

Because the mind is a weapon, see  
And it's got you on your hands and knees  
Pull the trigger if you gotta  
We all know that you wanna  
Count off 1, 2... 1, 2, 3!

[Chorus]

You'd better pray that there's another way out  
You'd better pray that someone's listening now  
(And doesn't wanna watch you drown)  
'Cause when you lie like the devil himself  
No angel's gonna hear your cry for help!

[Verse 2]

I know you must really think it's funny  
You had everybody fooled in the end  
But it's a little unassuming, considering how you knew me  
I'm the only one that called you a friend

[Pre-Chorus]

Because the mind is a weapon, see  
But you're not gonna use it on me  
Pull the trigger if you gotta  
We all know that you wanna  
Count off 1, 2... 1, 2, 3!

[Chorus]

You'd better pray that there's another way out  
You'd better pray that someone's listening now

(And doesn't wanna watch you drown)  
'Cause when you lie like the devil himself  
No angel's gonna hear your cry for help!

Count off 1, 2, 1, 2, 3!!!

[Chorus]

You'd better pray that there's another way out  
You'd better pray that someone's listening now  
(And doesn't wanna watch you drown)  
'Cause when you lie like the devil himself  
No angel's gonna hear your cry for help!

[Outro]

For help  
For help
