

# Keep Your Head Up

Andy Grammer

[Verse 1]

I've been waiting on a sunset  
Bills on my mindset  
I can't deny they're getting high  
Higher than my income, income's bread crumbs  
I've been trying to survive  
The glow that sun gets right around sunset  
Helps me to realize  
This is just a journey  
Drop your worries, you are gonna turn out fine  
Oh... You turn out fine  
Fine, oh, you turn out fine

[Chorus]

But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
I know it's hard (know it's hard)  
To remember sometimes  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh eh eh

[Verse 2]

I got my hands in my pockets kicking these rocks  
It's kinda hard to watch this life go by  
I'm buying into skeptics  
Skeptics mess with the confidence in my eyes  
I'm seeing all the angles thoughts get tangled  
I start to compromise my life and my purpose  
Is it all worth it? Am I gonna turn out fine?  
Oh oh, you turn out fine  
Fine, oh oh you turn out fine

[Chorus]

But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
I know it's hard (know it's hard)

To remember sometimes  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh eh eh

[Bridge]

Only rainbows after rain  
The sun will always come again and  
It's a circle, circling  
Around again  
It comes around again  
Only rainbows after rain  
The sun will always come again and  
It's a circle, circling  
Around again  
It comes around

Only rainbows after rain  
The sun will always come again and  
It's a circle, circling  
Around again  
It comes around again  
Only rainbows after rain  
The sun will always come again and  
It's a circle, circling  
Around again  
It comes around

[Chorus]

But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh  
I know it's hard (know it's hard)  
To remember sometimes  
But, you gotta keep your head up, oh oh  
And you can let your hair down, eh eh eh eh

[Outro]

Keep your head up Oh oh  
And you can let your hair down Eh eh  
Keep your head up Oh oh  
And you can let your hair down Eh eh  
Keep your head up Oh oh  
And you can let your hair down Eh eh
