

Over You (feat. A Great Big World)

Ingrid Michaelson

Over, I'm so over you
The way that you look
In a 3-piece suit
Over, I'm so over you
The way that you held me
Like nobody else would
Maybe if I tell myself enough
Maybe if I do
I'll get over you
Maybe if I tell myself enough
Maybe if I do
I'll get all over
You
You oh
Over you
You
A Great Big World:
Over, I'm so over you
The way that you laugh
Made everything that I do
Over, I'm so over you
The way that you said that you'd always be true
And maybe if I tell myself enough
Maybe if I do
I'll get over you
Maybe if I tell myself enough
Maybe if I do
I'll get all over
You
You
Over you
You
Over you
A Great Big World:
I'm falling around you
I'm falling around you
I'm falling around you
I'm falling around you
Oh
Canon-
Maybe if I tell myself enough
Maybe if I do
A Great Big World:
I'm falling around you
I'm falling around you
Oh

Maybe if I tell myself enoughA Great Big World:
I'm falling around youMaybe if I tell myself enough
Maybe if I do
