

# This Girl

[Lauren Daigle](#)

I've been a winding road, oh, I know You know  
Sometimes a stranger in my home  
Keep going back and forth through the open door  
I'm still learning to be still This girl ain't going anywhere  
This girl ain't going anywhere  
I can promise You this, now I know for sure  
This girl ain't going anywhere I've run for miles and lost sight of where You are  
But You see me all along  
Maybe I'm the last to know when I've gone too far  
And yet I'm always by Your side  
This girl ain't going anywhere  
This girl ain't going anywhere  
I can promise You this, now I know for sure  
This girl ain't going anywhere Oh, I know  
I've searched the world to find my heart is Yours  
Oh, my heart is Yours  
I've searched the world to find my heart is Yours  
Oh, my heart is Yours This girl ain't going anywhere  
This girl ain't going anywhere  
This girl ain't going anywhere  
This girl ain't going anywhere  
I've searched the world to find my heart is Yours  
Yes, my heart is Yours  
ohh, oh-oh-oh  
I've searched the world to find my milky soul  
I want nothing more  
Oh, my heart is Yours
