

# Come See Me

## The Pretty Things

If you wanna love, baby  
Come see me  
If you wanna a hug baby  
Come see me  
When you need a-someone  
To see you right  
And you need a-someone  
To make it feel right

Baby I'm your man  
Baby I'm your man  
Baby I'm your man  
Baby I'm your man

I'm a-greater than the seventh sun  
I got a answer to everyone  
I'm your man, baby  
I'm your man

You don't got to pop up baby  
You can't be free  
You just gotta ask baby  
You get it from me  
When you feeling lonely  
You got it so bad  
You come to see me  
I make you feel glad

Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)

You're gonna be my pussycat  
I wanna know just where it's at  
I'm your man baby (I'm your man)  
I'm your man (I'm your man)

Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)

Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)

I'm a-greater than the seventh son  
Don't have to answer to anyone  
You're gonna be my pussycat  
You gotta show just where it's at

Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)  
Baby I'm your man (I'm your man)
