

# My Style (feat. Charlotte)

## Poppy

[Poppy:]

Business class, bus pass, hot wax

That's my style

Ice-cream, credit card, modern art

That's my style

Bow ties, botox, rescue dogs

That's my style

Macaroons, cartoons, Dr. Seuss

That's my style

Bath salts, start a cult, I'm so adult

That's my style

Modern French-Italian, I'm living on the edge

That's my style

[Charlotte & Poppy:]

Poppy is an object

Poppy is your best friend

Poppy will break your neck

Poppy will be your pet (be your)

Poppy is an object

Poppy is your best friend

Poppy will break your neck

Poppy will be your pet (be your)

[Poppy:]

Acoustic, classic, electric

That's my style

Google me, follow me, pray for me

That's your style

Faux fur, red alert, miniskirt

That's my style

[Charlotte & Poppy:]

Poppy is an object

Poppy is your best friend

Poppy will break your neck

Poppy will be your pet (be your)

Poppy is an object

Poppy is your best friend

Poppy will break your neck

Poppy will be your pet (be your)

[Poppy:]  
That's my style (that's my style)  
That's my style (that's my style)
