

Right Side (feat. Doja Cat)

L8LOOMER

[Intro: L8LOOMER] I'm trying to make some more Kool-Aid But we ain't got no sugar I put more of that good energy Wish that nigga would yeah Got good vice and bad habits Might be tripping off acid Like my women in tune with the universe But then they still got a fatty [Hook: L8LOOMER] Yeah, we come alive as soon as I see the moon We the children of the night Yeah, we just vibe off the shrooms Yeah, we living on the right side Only good vibes, bitches Only good times [Verse 1: L8LOOMER] Hop off my nigga 10 grand my whip I hope he don't get a whoopin' Our fathers used to whip dope We both had the same canteen and book That was way back in the day When the Rock used to ask what was cooking If you smell-ell-ell-ell, yeah bitch it's that kush But we zen-zen, light an incense Got a buddha head on my pendant, Namaste Gotta pay attention, can't be slipping Cause Mercury's been in retrograde Hit the stage, spray the crowd with water All the girls in white t-shirts go berserk I don't want no fucking label deal Give me touring, publishing, and all my merch I'll be a star when they don't (Don't) You niggas gotta lay off See my shining, telescope (scope) But you can never come close I let go of my ego just to meditate (Ohm) But don't get it twisted My niggas won't hesitate [Hook: L8LOOMER] Yeah, we come alive as soon as I see the moon We the children of the night Yeah, we just vibe off the shrooms Yeah, we living on the right side Only good vibes, bitches Only good times Cause we swimming in the right Yeah that's just something I know If you wanna piece of mind Just come see me at my show Cause we living on the right side Only good vibes, bitches Only good times [Verse 2: Doja Cat] Yaaahhh I told her pick my fruit I don't like it sun-dried All my niggas cool 'Cause they on that fungi Ricky, he a fun guy We be getting dumb high Puffing on that grade A You could roll it fun sized Hemp tea by the cup full Got a couple jams we could fuck to I be with them bitches with the tats and the bantus We be puttin' berries in the wax like it's fondue, yeah God damn You with them hippies and them vegans Peep my lamb Yeah we go peanuts, we ain't jelly, boy we jam We ain't related but we faded so we fammmmm Yeah, just trying to wake up on the right side of my bed [Hook: L8LOOMER] Yeah, we come alive as soon as I see the moon We the children of the night Yeah, we just vibe off the shrooms Yeah, we living on the right side Only good vibes, bitches only good times Cause we swimming in the right Yeah that's just something I know If you wanna piece of mind Just come see me at my show Cause we living on the right side Only good vibes, bitches Only good times
