Avail

I am, outside, i am pay no mind to how i see this pay no mind to what i'm feeling now turn it around follow the lesser i won't break down i'm staying in tonight i don't need teh insight i am, outside, i am when you broke in you forgot to strip me of all my value pay no mind to how i see this pay no mind to what i'm feeling now turn it around point with anger i'm to blame somehow maybe i forgot to mention what it's like to be free of total disrespect on sight at last call i'm shut down i forgot to explain the way interaction in kind can leave a different taste at last call i'm shit down pay no mind to how i say this pay now mind if i seem restless now i'm through with this crowd cower and question ask loud just how i cam to laugh at myself quietly don't look to the ground i won't be found the lesssons learned i won't break down
