

# Jimmy

## Tones And I

Jimmy used to run through the streets at night  
To escape from all the fighting  
He was always told that he wasn't right So he just kept on writing  
Writing to a dad that he wished he'd had  
That he didn't know he needed he said  
"We should run away but today we'll stay"  
And I haven't seen him since that day now I got Jimmy on my mind felt like yesterday  
But I don't see him anymore, anymore  
Jimmy he got tired so he couldn't stay  
Now I don't see him anymore, anymore  
Nah nah, no no  
I don't see him anymore  
Nah nah nah ah  
Jimmy would come over after school sometimes  
And we'd dance around the garden  
He would never talk but when he would try  
It would never come out right and  
One day he had to go when his mum called him home  
And he looked at me and smiled and he said  
"We should run away but today we'll stay"  
And I haven't seen him since that day  
Now I got Jimmy on my mind felt like yesterday  
But I don't see him anymore, anymore  
Jimmy he got tired so he couldn't stay  
Now I don't see him anymore, now I got  
Jimmy on my mind feels like yesterday  
But I don't see him anymore, anymore  
Jimmy he got tired but he couldn't stay  
Now I don't see him anymore, anymore  
Nah nah, no no  
I don't see him anymore  
Nah nah nah ah  
And I pictured you back in the day when we were nine  
We said that someday we would leave this all behind  
And I pictured you back in the day when we were nine  
We said that someday we would leave this all behind  
Now I got Jimmy on my mind felt like yesterday  
But I don't see him anymore, anymore  
Jimmy he got tired so he couldn't stay  
Now I don't see him anymore, now I got  
Jimmy on my mind feels like yesterday  
But I don't see him anymore, anymore

Jimmy he got tired but he couldn't stay  
Now I don't see him anymore, anymore  
Nah nah, no no  
I don't see him anymore  
Nah nah nah nah ah  
I don't see him anymore  
Nah nah nah ah  
I don't see him anymore  
Nah nah nah ah
