I Want You Back

You're all I ever wanted You're all I ever needed, yeah So tell me what to do now 'Cause I-- I want you backIt's hard to say I'm sorry It's hard to make the things I did undone A lesson I've learned too well for sure So don't hang up the phone now I'm trying to figure out just what to do I'm going crazy without youYou're all I ever wanted You're all I ever needed, yeah So tell me what to do now When I want you back Baby I remember The way you used to look at me and say Promises never last forever I told you not to worry I said that everything would be alright I didn't know then that you were rightYou're all I ever wanted (baby) You're all I ever needed (yeah) So tell me what to do now When I want you backI want you back, yeahYou're the one I want You're the one I need Girl, what can I do?You're the I want You're the one I need Tell me what to do now You're all I ever wanted (You're the I want) You're all I ever needed (You're the one I need) So tell me what to do now When I want you back
