

4AM

Bastille

[Verse 1]

Four in the morning, we find ourselves here
The best of us passed out, I don't know who's where
I got all my old friends and new friends I've met once before
In a blanket of smoke as we sink through the floor

[Pre-Chorus]

Here, here, my family
You are my familiar, you are my familiar, ah-ah
Here, here, my friends and me
You are my familiar, ah-ah

[Chorus]

Oh, there is nowhere I would rather be
Never felt more comfortable, could never want for more when I'm here
No, there is nowhere I would rather be, oh-oh
Never felt more comfortable, could never want for more when you're near

[Post-Chorus]

Ooh
Ooh, ah

[Verse 2]

Time skips, balloon hits, I'm losing my mind
Tuesday'll be doom day, this got out of hand

[Pre-Chorus]

Here, here, my family
You are my familiar, you are my familiar
Here, here, my friends and me
You are my familiar

[Chorus]

Oh, there is nowhere I would rather be
Never felt more comfortable, could never want for more when I'm here
No, there is nowhere I would rather be, oh-oh
Never felt more comfortable, could never want for more when you're near

[Post-Chorus]

Ooh

Ooh, ah

[Bridge]

I don't care if we're talking 'bout the same things
I don't care if we're stuck in the familiar
I don't care if we're going 'round in circles
Again, again, again

[Pre-Chorus]

Here, here, my family
(Might be a walking disaster)
You are my familiar, you are my familiar
(Not much, but all I would ask for)
Here, here, my friends and me
(Might be a walking disaster)
You are my familiar
(Not much, but all I would ask for)

[Chorus]

Oh, there is nowhere I would rather be
Never felt more comfortable, could never want for more when I'm here
Oh, there is nowhere I would rather be
I never felt more comfortable, could never want for more when you're near

[Post-Chorus]

Ooh, ah
Ooh, ah

[Outro]

I can't remember, I can't remember
I can't remember, I can't remember
I can't remember, I can't remember
I can't remember, I can't remember
Help me piece it all together, darlin'
