

Prisoner (Morgan Page Radio Edit Mix)

Jeffree Star

I got no regrets and I remember the day that we met
There was no way that I could forget you
So I followed you home and I waited til you were alone
And I crept into your room while you slept
I laid next to you.. and I knew that I could never let you go

I know this seems so wrong
But I'm just a love sick criminal

You can arrest me baby, I don't wanna leave
Lock me up, throw away the key
I don't care if I'm in trouble deep, I'm addicted to your love
I'll be your prisoner
I'll be your prisoner tonight
I, I, I - I'm under your spell and I just can't get enough

You woke up to me staring at you in your sleep
Like a deer in the headlights I couldn't see
Anything else but the way you breathe
And you screamed at the top of your lungs
You couldn't believe it.. you thought you were dreamin'
I knew, I never wanted you to let me go

I know this seems so wrong
But I'm just a love sick criminal

You can arrest me baby, I don't wanna leave
Lock me up, throw away the key
I don't care if I'm in trouble deep, I'm addicted to your love
I'll be your prisoner...
I'll be your prisoner tonight
I, I, I - I'm under your spell and I just can't get enough

Oh, I'm prepared for all the consequences
Believe me, I have the worst intentions
