

The Wolf

Mumford & Sons

[Intro]

[Verse 1: Mumford & Sons]

Wide eyed, with a heart made full of fright
Your eyes follow like tracers in the night
And the tightrope, that you wander every time
You have been weighed you have been found wanting

[Chorus 1: Mumford & Sons]

Been wandering for days
How you felt me slip your mind
Leave behind your wanton ways
I want to learn to love in kind
'Cause you were all I ever longed for

[Interlude]

[Verse 2: Mumford & Sons]

Shelter, you better keep the wolf back from the door
He wanders ever closer every night
And how he waits, baying for blood
I promised you everything would be fine

[Chorus 1: Mumford & Sons]

Been wandering for days
How you felt me slip your mind
Leave behind your wanton ways
I want to learn to love in kind
'Cause you were all I ever longed for

[Instrumental]

[Bridge: Mumford & Sons]

Hold my gaze love, you know I want to let it go
We will stare down at the wonder of it all
And I will hold you in it
And I will hold you in it

[Chorus 2: Mumford & Sons]

Been wandering for days

How you felt me slip your mind
Leave behind your wanton ways
I want to look you in the eye
'Cause you were all I ever longed for

[Chorus 1: Mumford & Sons]
Been wandering for days
How you felt me slip your mind
Leave behind your wanton ways
I want to learn to love in kind
'Cause you were all I ever longed for
