

# The Best Day

Taylor Swift

I'm five years old, it's getting cold; I've got my big coat on  
I hear your laugh and look up smiling at you, I run and run  
Past the pumpkin patch and the tractor rides  
Look now, the sky is gold  
I hug your legs and fall asleep on the way home I don't know why all the trees change in the fall  
I know you're not scared of anything at all  
Don't know if Snow White's house is near or far away  
But I know I had the best day with you today I'm 13 now and don't know how my friends could  
be so mean  
I come home crying and you hold me tight and grab the keys  
And we drive and drive until we've found a town far enough away  
And we talk and window shop 'til I forgot all their names  
I don't know who I'm gonna talk to now at school  
I know I'm laughing on the car ride home with you  
Don't know how long it's gonna take to feel okay  
But I know I had the best day with you today I have an excellent father  
His strength is making me stronger  
God smiles on my little brother  
Inside and out he's better than I am  
I grew up in a pretty house and I had space to run  
And I had the best days with you There is a video I found from back when I was three  
You set up a paint set in the kitchen and you're talking to me  
It's the age of princesses and pirate ships  
And the seven dwarves  
And Daddy's smart  
And you're the prettiest lady in the whole wide world  
Now I know why all the trees change in the fall  
I know you were on my side even when I was wrong  
And I love you for giving me your eyes  
For staying back and watching me shine and  
I didn't know if you knew, so I'm taking this chance to say  
That I had the best day with you today
