

Love You Long Time

The Black Eyed Peas

[Verse 1: will.i.am]

What, would you do?
If I walked, up, to you?
And I, told you, how I feel
About you now?
And what, would you say
If I, took your breath away
And I, loved you everyday
The way I do now?

[Hook - will.i.am + Fergie]

Would you let me love you let me you long time? x4
Boy I'll let you love me let you love me long time x4

[Verse 2: will.i.am]

What, would it take?
If we can, up and runaway
We can, throw our problems away
And get out of town
And how, do you feel?
I hope, you know that I'm for real
I ain't, playin games baby
I'm serious now, so

[Hook 2: will.i.am & (Fergie)]

Baby, let me love you, let me you, long time
Baby, let me love you, let me you, long time
Baby, let me love you, let me you, long time
Baby, let me love you, let me you, long time
(Boy, I'll let you love me, let you love me, long time
Boy, I'll let you love me, let you love me, long time
Boy, I'll let you love me, let you love me, long time
