Love

Borgore

[Verse 1: Borgore]
Cause I love your pretty Smile
I love your needy Style
I love to be able to see that you are glamorous for a mile
I love the way you look
I love the way you cook
I spend lot of time watching your pictures on the facebook
I love to buy you flowers
I love our hot showers
I can watch you sleepin for hours and hours
I love the way you dance
The way you Shake that ass
But the thing I love the most is cuming on your face, suck it bitch
