

# Stranger Than Fiction

## Five Finger Death Punch

It's stranger than fiction  
How you've decayed  
It must be so lonely  
Lost within your ways You're born alone; you die alone:  
The rest is yours to fill the gap  
The world goes on without you here  
Adjust or just collapse Is this what you wanted to be  
Alone standing by yourself  
Is this all you wanted to be  
Or was that a cry for help  
By yourself  
Verbal grenades  
You throw in vain  
I can't believe you'd stoop so low  
Of all the things you took away,  
I miss my mind the most Is this what you wanted to be  
Alone standing by yourself  
Is this all you wanted to be  
Or was that a cry for help  
By yourself Is this what you wanted to be  
Alone standing by yourself  
Is this all you wanted to be  
Or was that a cry for help?!  
It's stranger than fiction  
How you've decayed  
It must be so lonely  
Lost within your ways
