

# Who Says You Can't Go Home

## Bon Jovi & Jennifer Nettles

I spent 20 years trying to get out of this place  
I was looking for something I couldn't replace  
I was running away from the only thing I've ever known  
Like a blind dog without a bone  
I was a gypsy lost in the twilight zone  
I hijacked a rainbow and crashed into a pot of gold  
I been there, done that and I ain't looking back on the seeds I've sown  
Saving dimes, spending too much time on the telephone  
Who says you can't go home  
Who says you can't go home  
There's only one place they call me one of their own  
Just a hometown boy, born a rolling stone, who says you can't go home  
Who says you can't go back, been all around the world and as a matter of fact  
There's only one place left I want to go, who says you can't go home  
It's alright, it's alright, it's alright, it's alright, its alright  
I went as far as I could, I tried to find a new face  
There isn't one of these lines that I would erase  
I lived a million miles of memories on that road  
With every step I take I know that I'm not alone  
You take the home from the boy, but not the boy from his home  
These are my streets, the only life I've ever known  
Who says you can't go home  
I been there, done that and I ain't looking that  
It's been a long long road  
Feels like I never left, that's how the story goes  
It doesn't matter where you are, it doesn't matter where you go  
If it's a million miles away or just a mile up the road  
Take it in, take it with you when you go  
Who says you can't go home  
It's alright, it's alright, it's alright, it's alright, its alright  
Who says you can't go home  
It's alright, it's alright, it's alright, it's alright, its alright  
Who says you can't go home
