

Show Me

Alina Baraz & Galimatias

[Verse 1]

Rising like the smoke
You linger on me
You got me so high
I can finally breathe
You're walking poetry
It's what you do to me
It's what you do, to me

[Refrain]

Touch me with no hands
Hold me with your eyes
Unwind me with your mind tonight
Speak with no words
Show me and I'm all yours
Show me and I'm all yours

[Pre-Chorus]

All that you are is all that I need
Rising like the smoke, you linger on me
All that you are is all that I need
Rising like the smoke, you linger on me

[Chorus]

You got me so high
I can finally breathe
Finally breathe
I can finally breathe
You got me so high
I can finally breathe
Finally breathe
I can finally breathe
And I'm all yours
All yours, and I'm all yours
Show me
I'm all yours, all yours, and I'm all yours

[Verse 2]

All that you are is all that I need
Sunset in your eyes

Light me with your loving
I'm searching for the thrill
It's you, you make me feel
You make me feel

[Refrain]

Touch me with no hands
Hold me with your eyes
Unwind me your mind tonight
Speak with no words
Show me and I'm all yours

[Pre-Chorus]

All that you are is all that I need
Rising like the smoke, you linger on me
All that you are is all that I need
Rising like the smoke, you linger on me

[Chorus]

You got me so high
I can finally breathe
Finally breathe
I can finally breathe
You got me so high
I can finally breathe
Finally breathe
I can finally breathe
And I'm all yours
All yours, and I'm all yours
Show me
I'm all yours, all yours, and I'm all yours
