

# Still

## Alanis Morissette

I am the harm that you inflict  
I am your brilliance and frustration  
I'm the nuclear bombs if they're to hit  
I am your immaturity and your indignance  
I am your misfits and your praised  
I am your doubt and your conviction  
I am your charity and your rape  
I am your grasping and expectation  
I see you averting your glances  
I see you cheering on the war  
I see you ignoring your children And I love you still  
And I love you still  
I am your joy and your regret  
I am your fury and your elation  
I am your yearning and your sweat  
I am your faithless and your religion  
I see you altering history  
I see you abusing the land  
I see you and your selective amnesia And I love you still  
And I love you still Haah... Haah... Haah... Haah...  
I see you and your selective amnesia  
I see you averting your glances  
I see you cheering on the war  
And I love you still  
I love you still  
I see you altering history  
And I see you abusing the land  
I see you and your selective amnesia  
And I love you still  
I love you still  
I am your tragedy and your fortune  
I am your crisis and delight  
I am your profits and your prophets  
I am your art - I am your bytes  
I am your death and your decisions  
I am your passion and your plights  
I am your sickness and convalescence  
I am your weapons and your light  
I see you holding your grudges  
I see you gunning them down  
I see you silencing your sisters And I love you still  
And I love you still I see you lie to your country

I see you forcing them out  
I see you blaming each other And I love you still  
And I love you still Haah... Haah... Haah... Haah...  
I see you holding on to your grudges  
I see you as you gun them down  
I see you silencing your sisters  
And I love you still  
I love you still  
I see you lying to your country  
And I see you trying to force them out  
I see you blaming each other  
And I love you still  
I love you still
