

# Darkside

Quentin Miller

[Hook]

Pull up and, do I what I does  
Woah, I do what I want (woah)  
Not giving a fuck  
She let me fuck, she knew what it was  
Money in fast (woah), liquor and drugs  
Please don't tell my kids how I live man  
I been in some shit, this some shit man  
Car parked in the dark side  
Feel like I ain't seen the light in years man

[Verse 1]

Me and C Major, we major like Kanye and Nas  
I got your message before and just didn't respond  
I sold that metal like auto parts, rock the watch like a Audemar  
I think I'm better than all of ya'll  
Fall off in some sex, only way that I'm falling off  
I think I'm obsessed, cause I want all the hundreds  
I don't even want to stunt, but really I gotta stunt  
It's really no option for me  
I need me a profit from it

[Hook]

Pull up and, do I what I does  
I do what I want (woah)  
Not giving a fuck  
She let me fuck, she knew what it was  
Money in fast (woah), liquor and drugs  
Please don't tell my kids how I live man  
I been in some shit, this some shit man  
Car parked in the dark side  
Feel like I ain't seen the light in years man

[Verse 2]

I can't hold it in, I ain't been outside, I'm going in man  
I've been feeling ways on how I live  
Please don't tell my kids  
I got partners out in Houston, I can introduce you  
We can sip on some exclusive, it'll slow your moving  
Everytime we do a show it turn into a movie

Might as well write a script for it and send it to you  
Pick an item in your size, we can send it to you  
1317 supply, we can send it to you  
I don't know when I'ma die, I'ma live the fullest  
Yeah, as long as I'm alive I'ma  
Hold up

[Hook]

I do what I want (woah)  
Not giving a fuck  
She let me fuck, she knew what it was  
Money in fast (woah), liquor and drugs  
Please don't tell my kids how I live man  
I been in some shit, this some shit man  
Car parked in the dark side  
Feel like I ain't seen the light in years man
