

# Green Light

John Legend

Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now (Let's go!)  
I'm ready to go right now  
I'm ready to go right now  
I see you move, I'm checking your smile  
Workin' your back like, it's going out of style  
Shake just a little bit faster  
Shake just a little now girl  
Dying to meet you, so let's mess around  
Got an obsession, of us getting down  
Come just a little bit closer  
I just need permission soooo  
Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now (Let's go!)  
I'm ready to go right now  
I'm ready to go right now  
One, two, three - green light  
Well, if it's what it seems like  
They way you're movin' baby let's me know that's it's gon' be right  
I'm - (I'm ready to go right now) Ah, ah  
I'm - (I'm ready to go right now)  
A-one, two, three - red light  
I wanna see what your bed's like  
But if I be your buddy, get you studied, is yo' head right?  
I'm - (I'm ready to go right now) Ah, ah  
I'm - (I'm ready to go right now)  
Do I have a girlfriend? Well, technically no (NO!)  
If you be my girlfriend, then I'll make it so  
You'll be my only true lover  
No competition, no other (no other)  
Baby, it's just, the thrill of the chase  
I've got a feeling, I'm winning this race  
Baby, I'm in much closer  
I just need permission so  
Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now (Let's go!)

I'm ready to go right now  
I'm ready to go right now  
One, two, three - green light  
Well, if it's what it seems like  
They way you're movin' baby let's me know that's it's gon' be right  
I'm - (I'm ready to go right now) Ah, ah  
I'm - (I'm ready to go right now)  
A-one, two, three - red light  
I wanna see what your bed's like  
But if I be your buddy, get you studied, is yo' head right?  
I'm - (I'm ready to go right now) Ah, ah  
I'm - (I'm ready to go right now)  
So I went hard like Medusa starin at me  
I told her, "Let's go, let's blow this lame nigga factory"  
She said, "What kind of girl do you think that I are?  
The kind that you meet in a bar?  
You think you can get whatever you want cause you some kind of star"  
No, I'm a comet; I just want you woman  
Hey, if I were you then it would be me that I'd go home with  
Three, the one and only, one thing you ain't considered  
I heard you when you told your girl, "Ooh, he can get it" - admit it  
You did it! Let's hop a cab, and split it  
I'm kiddin! We both goin' to where you livin'!  
Eh-HAH!! I got you giggling like a piglet - oh, that's the ticket?  
I hope you more like, Anita Baker, than Robin Givens  
No, I don't know that lady, so let me quit it  
I'm just stylefreein', freestylin' which I seldom do  
This is what I'm tellin' you, to the bed I'm nailin' you  
Like I've been in jail for two, years and then they let me loose  
Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now (Let's go!)  
I'm ready to go right now  
I'm ready to go right now  
You got you one, Legend!  
Sometimes you gotta step from behind that piano!  
And let 'em know what's going on  
Even Stevie Wonder got down sometimes..Hahaha!  
I'm ready to go! My mandate can't wait  
Participate  
Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now (Let's go!)  
I'm ready to go right now  
I'm ready to go right now
