

# Earned It (Fifty Shades of Grey)

## The Weeknd

You make it look like it's magic  
Cause I see nobody, nobody but you, you, you  
I'm never confused Hey, hey  
I'm so used to being used  
So I love when you call unexpected  
Cause I hate when the moment's expected So I'ma care for you, you, you  
I'ma care for you, you, you, you, yeah  
Cause girl you're perfect  
You're always worth it  
And you deserve it  
The way you work it  
Cause girl you earned it  
Girl you earned it  
You know our love would be tragic  
So you don't pay it, don't pay it no mind  
We live with no lies Hey, hey  
You're my favorite kind of night  
So I love when you call unexpected  
Cause I hate when the moment's expected So I'ma care for you, you, you  
I'ma care for you, you, you, you, yeah  
Cause girl you're perfect  
You're always worth it  
And you deserve it  
The way you work it  
Cause girl you earned it  
Girl you earned it  
On that lonely night  
You said it wouldn't be love But we felt the rush  
It made us believe it there was only us  
Convinced we were broken inside, inside  
Cause girl you're perfect  
You're always worth it  
And you deserve it  
The way you work it  
Cause girl you earned it  
Girl you earned it
