

Refusal

Strike Anywhere

Sister, I won't let you go, I won't let them take you
Into the silence of a past divided
Brother, keep teaching the power, we only move together
Away from the past that made us fall apart I refuse to run
And I will die before I kneel
In this life I refuse to run
And I will die before I kneel
In this life Systems of profits we punish
With love as our weapon
And unity
Unity, rebirth in fire
I refuse to run
And I will die before I kneel
In this life I refuse to run
And I will die before I kneel
In this life Are we crucified?
We defend our birthright, equality betrayed
With every hour a voice is lost, but every rage defies the cost
Embrace the whole world as your kin, truth to truth and skin to skin Begin! I'm searching for an
end to the bullshit reactions
Another way to separate us
An end to the bullshit of separation
Another way to keep us from truth
I refuse to run
And I will die before I kneel
No more! I refuse to run
And I will die before I kneel
No more!
