

# Raine

Bret Michaels

Raine When I hold you in my arms, I can feel you breathe  
When I look into your eyes, makes me believe  
In a God, in a place, that brings me hope, gives me faith  
Before our time is done, I want to be the one to Give you love, give you strength  
Get you through your darkest days  
When you cry I'll dry the tears for you  
Through the years, through the pain  
Times of heartache, times of change  
I'll be your sun you be my Raine If I ever let you down, I didn't mean to do that  
If you need me and I'm not around, I am sorry for that  
Sometimes life is strange, some days it pulls me away from you  
But on my soul I swear, for you I will be there to  
Give you love, give you strength  
Get you through your darkest days  
When you cry I'll dry the tears for you  
Through the years through the pain  
Times of heartache times of change  
I'll be your sun you be my Raine You are my flesh, you are my blood  
And I will always stand by you, I will  
And should the sun go down, give me your hand  
I'll pull you through, I will, you know I'll be the one to Give you love, give you strength  
Get you through your darkest days  
When you breathe I'll be the air for you  
Through the years through the pain  
Times of heartache times of change  
I'll be your sun you be my (Raine)  
Give you love, give you strength  
Get you through your darkest days  
When you cry I'll dry the tears for you  
Through the years through the pain  
Times of heartache times of change
