

# Crazier

## Taylor Swift

I'd never gone with the wind  
Just let it flow  
Let it take me where it wants to go  
'Til you opened the door  
And there's so much more  
I'd never seen it before  
I was trying to fly, but I couldn't find wings  
You came along and you changed everything You lift my feet off the ground, spin me around  
You make me crazier, crazier  
Feels like I'm falling and I  
Am lost in your eyes, you make me crazier, crazier, crazier  
I watched from a distance as you  
Made life your own  
Every sky was your own kind of blue and I wanted to know  
How that would feel and you made it so real  
You showed me something that I couldn't see  
You opened my eyes and you made me believe  
You lift my feet off the ground, spin me around You make me crazier, crazier  
Feels like I'm falling and I  
Am lost in your eyes, you make me crazier, crazier, crazier oh oh...  
Baby, you showed me what living is for  
I don't wanna hide anymore  
You lift my feet off the ground, spin me around  
You make me crazier, crazier  
Feels like I'm falling and I  
Am lost in your eyes, you make me crazier, crazier, crazier  
Crazier, crazier...
