Don't Stop

5 Seconds of Summer

You're like perfection, some kind of holiday
You got me thinking that we could run away
You want I'll take you there,
You tell me when and where,
Oh oh oh ohBut then I asked for your number,
Said you don't have a phone
It's getting late now,
I gotta let you know
That everybody wants to take you home tonight
But I'm gonna find a way to make you mineDon't stop doin' what you're doin'
Every time you move to the beat
It gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Every time you walk in the room
You got all eyes on you
And you know it, know it, know itYou're coming close now, swear I can taste it,
You got me tongue tied, I can't escape it
I'm loving what you got,
But then you push me off,
Oh oh oh ohAnd everybody wants to take you home tonight
But I'm gonna find a way to make you mine
Don't stop doin' what you're doin'
Every time you move to the beat
It gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Every time you walk in the room
You got all eyes on you
And you know it, know it, know itEvery day it's the same, love and games that you play
Back and forth, round and round, kinda like it this wayDon't stop doin' what you're doin'
'Cause every time you move to the beat
It gets harder for me
And you know it, know it, know it
Don't stop 'cause you know that I like it
Every time you walk in the room
You got all eyes on you
And you know it, know it, know it, know itDon't stop (don't stop, stop what you're doing) doin'
what you're doin'
('Cause you know that, you know that I like it)
Every time you move to the beat
It gets harder for me

And you know it, know it, know it
Don't stop, 'cause you know that I like it (you know that I like it)
Every time you walk in the room
You got all eyes on you(all eyes on you)
And you know it, know it, know it
