

# Given in Death

## Heaven Shall Burn

Nothing but pain, nothing but anguish  
Depriving me of mercy, refusing all compassion  
These bare walls around me  
My prison, my dungeon Deliver me to ransom,  
No god can justify this cruelty  
There's nothing left for me  
There's nothing left but agony At last break down this dogma  
Just let me go, just let me be  
Just let it be my last breath  
As all peace has left this world  
There is serenity given in death  
Silence is falling down  
So long ago I lost my anchor  
As all my sorrows drown Given in death The turmoil of this world is not my struggle anymore  
The end is putting down its hand for me,  
I see, I feel As all my sorrows drown  
Just let me go, just let me be  
Just let it be my last breath  
Days fade away, songs die away My peace of mind, given in death  
As all peace has left this world  
So long ago I lost my anchor  
I'm longing for redemption  
Enclosed by the mists of oblivion,  
Days fade away, songs die away  
The turmoil of this world is not my struggle anymore  
The end is putting down its hand for me,  
I see, I feel
