

Angel

The Weeknd

Angel, oh oh oh oh
Knew you were special from the moment I saw you, I saw you, yeah
I said angel, oh oh oh oh
I feel you're closer every time I call you, I call you 'Cause all I see are wings, I can see your wings
But I know what I am and the life I live, yeah, the life I live
And even though I sin, maybe we are born to live
But I know time will tell if we're meant for this, yeah, if we're meant for this And if we're not I
hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love, yeah yeah yeah
Said angel, woah oh oh oh
You'll probably never take me back and I know this
Yeah I know this, aw man
I said angel, woah oh oh oh
I'm so desensitized to feeling these emotions
Yeah, no emotions baby 'Cause all I see are wings, I can see your wings
But I know what I am and the life I live, yeah, the life I live
And even though I sin, we all want to live
But I know time will tell if we're meant for this, yeah if we're meant for this And if we're not I
hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love, yeah yeah yeah
And even though we live inside a dangerously empty life
You always seem to bring the light
You always seem to bring the light
And even though we live inside a dangerously empty life
You always seem to bring me light
You always seem to bring me light I hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love, yeah yeah, oh I hope you find somebody, I hope you find someone baby
I hope you find somebody, whoa
I hope you find somebody, I hope you find somebody

I hope you find somebody to love
Somebody to love, somebody to love
Somebody to love yeah, yeah, yeah I hope you find somebody, I hope you find
I hope you find somebody, I hope you find
I hope you find somebody, I hope you find somebody baby
I hope you find somebody
Somebody to love
Somebody to love
Somebody to love yeah, yeah, yeah Ooh, somebody baby
I hope you find somebody
Baby, love somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody, I hope you find somebody baby
I hope you find somebody to love
Somebody to love, somebody to love
Somebody to love, somebody to love
Yeah, yeah, yeah
