

# **Burn The Ships**

## **for KING & COUNTRY**

[Verse 1: Luke Smallbone]  
How did we get here?  
We're cast away on a lonely shore  
I can see in your eyes, dear  
It's hard to take for a moment more  
We've got to

[Pre-Chorus: Joel Smallbone]  
Burn the ships, cut the ties  
Send a flare into the night  
Say a prayer, turn the tide  
Dry your tears and wave goodbye

[Chorus: Joel and Luke Smallbone]  
Step into a new day  
We can rise up from the dust and walk away  
We can dance upon the heartache, yeah  
So light a match, leave the past, burn the ships  
And don't you look back

[Verse 2: Luke Smallbone]  
Don't let it arrest you  
This fear, this fear of fallin' again  
And if you need a refuge  
I will be right here until the end  
Oh, it's time to

[Pre-Chorus: Joel Smallbone]  
Burn the ships, cut the ties  
Send a flare into the night  
Say a prayer, turn the tide  
Dry your tears and wave goodbye

[Chorus: Joel and Luke Smallbone]  
Step into a new day  
We can rise up from the dust and walk away  
We can dance upon the heartache, yeah  
So light a match, leave the past, burn the ships  
And don't you look back

[Bridge: Joel Smallbone]

So long to shame, walk through the sorrow  
Out of the fire into tomorrow  
So flush the pills, face the fear  
Feel the weight disappear  
We're comin' clean, we're born again  
Our hopeful lungs can breathe again  
Oh, we can breathe again

[Chorus: Joel and Luke Smallbone]

Step into a new day  
We can rise up from the dust and walk away  
We can dance upon the heartache, yeah  
So light a match, leave the past, burn the ships  
Step into a new day  
We can rise up from the dust and walk away  
We can dance upon our heartache, yeah  
So light a match, leave the past, burn the ships  
And don't you look back

[Outro: Luke Smallbone]

And don't you look back  
And don't you look back
