

# 2012 (It Ain't the End) [feat. Nicki Minaj]

Jay Sean

Oh, oh, 2012, oh yeah  
It's alright, oh, it's alright You know what they say? Life ain't always easy  
And everyday, we're survivors  
So forget the day, it's all about tonight  
Act a fool and start a riot, a riot be rebel Bottles poppin' 'til we can't stand  
We keep it rockin' till 6 a.m.  
New York to London, over to Japan  
Turn it up, turn it up, mash it up We gonna party like, party like it's the end of the world  
We gonna party like, like it's 2012  
You know that it doesn't matter as long as we got each other  
Turn it up, turn it up, mash it up, it ain't the end of the world, oh  
Gonna live like it's the end of the world  
Gonna party like, oh  
Turn it up, turn it up, mash it up  
It ain't the end of the world Similes, metaphors and we pop pills  
Sick flow, inundated with the doc bills  
Work hard, now we know how to top bills  
In the middle of the street doing cartwheels Lot of them try to do it but it's not real  
Wasn't a rapper, then I could've got a pop deal  
White curls in a hot-pink Hot Wheels  
Lot of bottles and a lot of fruity cocktails Uh, days of our lives  
You wink it goes by  
So we'll just get it with no Edison  
Anything goes, so no time for closed minds  
And free my Lil' Weezy  
And let's just get right  
Young Money, Cash Money in the building  
Let's go, the world ends tonight Have a drink with me and let's make tonight go down  
In history, in history, yeah  
Let's play make believe it's the last 24 hours  
And this whole world is ours eternally, eternally Hey, bottles poppin' 'til we can't stand  
We keep it rockin' till 6 a.m.  
New York to London, over to Japan  
Turn it up, turn it up, mash it up We gonna party like, party like it's the end of the world  
We gonna party like, like it's 2012  
You know that it doesn't matter as long as we got each other  
Turn it up, turn it up, mash it up, it ain't the end of the world, oh We gonna live like it's the end  
of the world  
Gonna party like, oh  
Turn it up, turn it up, mash it up  
It ain't the end of the world, no No, I'm not gonna follow  
Anything that they say any more

And it's never too late to start over  
So lets start it with here right now  
We gonna party like, party like it's the end of the world  
We gonna party like, like it's 2012  
You know that it doesn't matter as long as we got each other  
Turn it up, turn it up, mash it up, it ain't the end of the world, oh  
We gonna live like it's the end of the world  
Gonna party like, oh  
Turn it up, turn it up, mash it up  
It ain't the end of the world, the world  
Because the world keeps spinnin'  
The world keeps spinnin' around
